

Your Invitation

This is your personal invitation to join other community members who will have their names or the names of their loved ones in the Commemorative Gardens area. This is an opportunity to participate in beautifying the Library Building with the creation of lovely gardens and landscapes. Just complete the attached order form and return it with your tax-deductible contribution today. The Crete Public Library building and its landscaped gardens will continue to be a source of pride for the entire community.

By adding your name or your family's name to the Commemorative Gardens, your family will forever be a part of the Library's history.

The garden commemorative pavers will be adjacent to the front Library walkway and will be a loving reminder of your thoughtfulness and caring to all who enter the building. The gardens and landscaping will provide a unique and memorable way to recognize your family and friends.
